

2002 Salary Study of Biostatistics

Below is the fall 2002 Salary Study of Biostatistics and other biomedical statistics departments and units, which was conducted by the University of Vermont Biometry Facility. It should be noted that all salary figures are based on a 12-month period. As in the past, previous salary study data has been included for comparative purposes. A total of 44 biostatistics and other biomedical departments and units were sent questionnaires. A total of 25 responded for a response rate of 57 percent.

Questions regarding the tabulations should be addressed to Dr. Taka Ashikaga, Professor and Director, Medical Biostatistics, Bioinformatics Facility, College of Medicine, University of Vermont, 105 Carrigan Drive, Burlington, Vermont 05405, (802) 656-2526; Fax: (802) 656-0632; Email: Takamaru.Ashikaga@uvm.edu. Any biostatistical unit that would like to participate in future surveys should contact Professor Ashikaga with a letter of interest. ■
